WORK EXPERIENCE

Taco Comfort Solutions, Cranston, RI ‖ *Sept. 2015 - Aug. 2016* ‖ *Administrative Assistant*
Worked with systems responsible for inventory and production projections. Supported team during transition to a more complex computer system. Sorted > 700 pieces of paperwork per day for an entire manufacturing department.

Dept. of Environmental Mgmt., Providence, RI ‖ *Feb. 2015 – Aug. 2015* ‖ *Administrative Aide*
Worked as a deputy assistant to the Director. Communicated with senators and the Governor's office on her behalf. Researched problems and directed inquiries to the proper department or person. Did independent projects, including helping to process candidates for an internal position, and tracking legislation for the department as it made its way through the State House.
